## **Request for Proposal**

United Way of Wayne and Holmes Counties has identified areas of need in the community. The following areas have been identified for the 2019 grant cycle.

### **Request for Proposal Funding Areas;**

- 1) Health & Mental Health
- 2) Safety Net
- 3) Workforce Development
- 4) Youth Development

### **Details of each RFP to follow.**

If you choose to collaborate with other organizations, please delegate one organization as the applicant, fiscal and reporting agent. Collaborative grants are encouraged; however, United Way will only accept one application for the collaborative program.

## **2019 RFP Details**

United Way of Wayne and Holmes Counties will be offering a total of \$630,000.00 to organizations providing services to low income residents in Wayne or Holmes County.

There will be additional designated funds that will not be included in the competitive grants. Donor designated contributions will be divided equally between the funded organizations within the four focus areas. For example: If we have \$10,000.00 worth of designated funds in the Safety Net focus area, it will be divided equally amongst the organizations funded through Safety Net. So, if five organizations are funded, they will all receive an additional \$2,000.00.

We also have a Holmes County only designation. The Holmes County only funds will be distributed to organizations providing funded programs in Holmes County. This amount will also be divided equally.

This is a new way of funding organizations. We suggest you look at the level you were awarded last year and consider seeking grants near that amount. If we have grants that go unsolicited we will open another cycle of funding.

Multiple grants for the same programs will not be accepted. However, you may choose to separate services within programs to apply for multiple grants. For example: You may apply for \$20,000.00 for before and after school tutoring and through another grant request \$2,500.00 for snacks for before and after school care. You may not request \$20,000.00 for before and after school tutoring AND \$2,500.00 for before and after school tutoring.
